

I. THEMATIC 90 MIN SHOWS

#ready-made #interactive #engaging #fun #education

A) 100% SLOVENIAN STAND-UP SHOW – a modern approach to a *Slovenian evening event*

Summary: Did you know that Slovenians own the most tractors per capita in the world? 100% SLOVENIAN is **multimedia comedy event which is hosted by Janez - a very typical Slovenian**. He is a funny character (stand-up comedian) that will take you on the voyage through the country and tell you many **interesting facts, stories, legends and jokes about Slovenia** and its inhabitants.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #Slovenia #stand-up comedy #quiz #games #puzzles #fun

B) MY MICRO BREWERY- entertainment »show« with beer tasting

Summary: Craft beer is fashionable and Slovenia produces a lot of good beer. This fun program is a **combination of a basic beer brewing workshop, beer tasting and an evening show** based on a friendly quiz competition. Be careful! There is a clear and present danger that **your guests will fall in love with Slovenian craft beer** even if they are not beer drinkers at all.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #beer #quiz #puzzles #fun

C) MY WINE CELLAR - evening entertainment »show« with wine tasting

Summary: Slovenia is a land of high quality wine. This fun program is NOT an evening with a sommelier talking about a taste of blueberry and a hint of oak in a glass of wine. It is a **unique combination of a comedy show, wine tasting, a friendly quiz competition and a “virtual” trip through Slovenia**. Be careful! Your guests might fall in love with Slovenian wines even if they are all 100% beer drinkers.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #wine #quiz #comedy #puzzles #fun

II. GEO-LOCATION ADVENTURES

#adventure #treasure hunt #piran #istria

A) THE LOST PIRATE TREASURE OF PIRAN

Summary: Forget the classic treasure hunt – this is a true adventure worthy of Indiana Jones. The tasks and challenges will take you to **some of the most authentic and unlikely spots in the town**, where you will uncover clues and items and finally put them together to **unlock the long-lost treasure of Piran**. You will **meet some true pirates** along the way, even a Jack Sparrow look-alike.

Key numbers: 180 minutes, 20 - 300 people

Key words: #adventure #old town #puzzles #fun #moviemaking

B) PIRAN FILM FESTIVAL

Summary: This is a treasure hunt with a **movie-making twist**. We will present you with interesting challenges that will take you through the picturesque town of Piran, where you will look for **hidden spots, communicate with locals, perform fun tasks and film a few short videos with your smart phones**. The videos will be put together and later shown as one video as the “grand finale” of the event.

Key numbers: 180 minutes, 20 - 300 people

Key words: #adventure #old town #puzzles #fun #moviemaking

C) ECO-CULINARY ADVENTURES – A geo-location cooking adventure through Istria

Summary: This is a geo-location game, which includes travelling through the **countryside, interacting with locals, discovering the final location and finally, team cooking**. You will experience everything that Istria is famous for: **The Adriatic sea** (and its quality fish), romantic **vineyards** and **hill-top farms** and villages with delicious local produce.

Key numbers: 180-240 minutes, 20 - 100 people

Key words: #show cooking #Slovenian food #local ingredients #gamified #team cooking

III. IMMERSIVE EXPERIENCES

#theme parties # murder myster # larp #escape)

A) THEME PARTIES - Fancy dress, games and a lot of fun

Summary: This program is best experienced in a privatized hotel or restaurant. It is easy and fun for the participants. The games are mostly off-stage and non-invasive (exhibition system). Thus, **player type of people can have an intensive experience, while the non-players will have fun observing, eating and drinking.** 1920s and Casino theme are the most popular, but we organize superb theme events on many other themes.

Key numbers: 180 + minutes, 20 - 1000 people

Key words: #party #games #fun #music #food and drinks

B) CSI PORTOROŽ MURDER MYSTERIES - Joint a team of investigators and solve a murder

Summary: The guests will become teams of investigators that will interact with a group of actors playing the hotel staff and other persons acting as suspects and witnesses. This program is fun, intensive and full of surprises as the game progresses. We recommend a thematic, **1920s version of the program**, that is happening in an **underground mafia establishment.**

Key numbers: 90-120 minutes, 20 - 200 people

Key words: #CSI investigation #collaboration #brain games #adventure #fun

C) THE BROTHERHOOD OF THE BLUE SEAGULL – mobile escape room on a boat (or not)

Summary: The Brotherhood of a Blue Seagull is a **sea-themed mobile escape room** that is best experienced on a boat. The guests will be greeted by a strict Captain that is looking for a new crew that will **leave for an adventure on high seas.** If you want to join the Captain you will need to pass an interesting “escape room” type of challenge and survive the final ritual.

Key numbers: 60-90 minutes, 10-40 people

Key words: #escape room #collaboration #fun #brain games #challenges #adventure

D) THE GRAND SPEAKEASY - *Live action mafia game*

Summary: This is the most demanding game for the participants but also the most rewarding. You will **pick up a character in a fictional world, try to complete several missions and eventually, to survive in a dangerous world of the mafia underworld.** Larp - live action role playing is a fully immersive game, with food, drinks, protocol of the evening and several non-playing-characters running the show.

Key numbers: 90-240 minutes, 10 - 150 people

Key words: #live actin role playing #larp #fun #evening entertainment #challenges

IV. ABOUT US

#eventdesign #ready-made programs #bespoke events #live experience design

We are an event management company specialising in extraordinary experiences. We offer more **than 50 ready-made experiential programs for groups** and we also create custom made solutions for event marketing projects, evening shows, inspirational events, team buildings, live themed parties and gamified events. We design experiences on the basis of our own **Live Experience Design** methodology (www.orehovgaj.si/lxd). We are world leaders in immersive escape programs for larger groups that are combination of storytelling, immersive theatre and live-action-role-playing. The TeamBuildingLab is part of the Walnut grove group, which also includes a venue and catering service.
