

We are an event management company specialising in extraordinary experiences. We have our own venue, in-house catering service, experience design agency, escape rooms and a long record of happy clients.

VENUE (#ljubljana #eco-chic #vintage #upcycle #400people)

The Walnut Grove venue has an amazing location in Slovenia's capital, Ljubljana. Since it is located **just 2km from the main commercial district of Ljubljana**, its natural and countryside feeling comes as complete surprise to an unknowing guest. The main attraction of the venue is its **eco-chic & vintage** ambience. As a **former horse ranch** the venue has several farm buildings (500m² in total) that have been **up-cycled and re-polished in our unique style**. We organise all sorts of educational, business, social and other events, including weddings, garden parties and conferences **for up to 400 people**.

CATERING (#interactive # creative #seasonal #km0)

Our own in-house catering service supports the Walnut grove venue and travels to anywhere a client needs us. We are known for **flexibility, interactive culinary programs, show cooking, relaxed energy, creativity, super friendly staff and professional attitude**. Call us if you want **catering with a story** – we come with a lot of attractive eco-friendly furniture and interesting gadgets that will engage your guests at the event. Recommended ready-made experiential events: **Slovenian food market and Street food competition!**

EXPERIENCE DESIGN (#ready-made programs #bespoke events #live experience design)

We have an in-house event&experience design agency that specializes in extraordinary events. We offer more than **50 ready-made experiential programs** for groups and we also create **custom made solutions** for event marketing projects, evening shows, inspirational events, team buildings, live themed parties and gamified events. We design experiences on the basis of our own **Live Experience Design methodology** (www.orehovgaj.si/lxd).

THEMATIC 90 MIN SHOWS (#ready-made #interactive #engaging #fun #education)

1) 100% SLOVENIAN STAND-UP SHOW – a modern approach to a *Slovenian evening event*

Summary: Did you know that Slovenians own the most tractors per capita in the world? 100% SLOVENIAN is multimedia comedy event which is hosted by Janez - a very typical Slovenian. Janez is a colorful and funny character (stand-up comedian) that will take you on the voyage through the country and its peculiarities and tell you many interesting facts, stories, legends and jokes about Slovenia and its inhabitants.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #Slovenia #stand-up comedy #quiz #games #puzzles #fun

2) MY MICRO BREWERY- entertainment »show« with beer tasting

Summary: Craft beer is fashionable and Slovenia produces a lot of good beer. This fun program is a combination of a basic beer brewing workshop, beer tasting and an evening show based on a friendly quiz competition. Be careful! There is a clear and present danger that your guests will fall in love with Slovenian craft beer even if they are not beer drinkers at all.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #beer #quiz #puzzles #fun

3) MY WINE CELLAR - evening entertainment »show« with wine tasting

Summary: Slovenia is a land of high quality wine. This fun program is NOT an evening with a sommelier talking about a taste of blueberry and a hint of oak in a glass of wine. It is a unique combination of a comedy show, wine tasting, a friendly quiz competition and a "virtual" trip through Slovenia. Be careful! Your guests might fall in love with Slovenian wines even if they are all 100% beer drinkers.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #wine #quiz #comedy #puzzles #fun

4) THE SPIRIT OF SLOVENIA - entertainment »show« with spirit tasting

Summary: Slovenia is known for its spirits. This fun program is NOT a heavy drinking program that will make everybody crazy. It is a unique combination of a comedy show, spirit tasting, a friendly quiz competition and a "virtual" trip through Slovenia and its spirits. Be careful! Your guests might fall in love with Slovenian spirits even if they have never drunk anything powerful before.

Key numbers: 90 minutes, 20 - 1000 people

Key words: #spirits #quiz #comedy #puzzles #fun

INTERACTIVE CULINARY EXPERIENCES (#foodmarket #street food #foodies)

1) TEAM COOKING – The taste of team work

Summary: Our in-house catering team specializes in interactive culinary programs, in which guests co-create the cooking and dining experience. We specialize in healthy, local, creative cooking. We love the concept of the outdoor kitchen and we adore interesting gadgets – from top-notch Weber grills to American smokers, cast iron pans, old military kitchens and Bosnian “sač” cooking concepts.

Key numbers: 90-240 minutes, 10 - 40 people

Key words: #team cooking #collaboration #Slovenian food #local ingredients

2) SLOVENIAN FOOD MARKET – Gamified culinary voyage through Slovenia

Summary: This is an event that is best suited for our venue, The Walnut Grove, but can be organized anywhere. In comparison with TEAM COOKING, this program is shorter and more relaxed, since you are not under the pressure to actually cook something edible. Guest can travel from stand to stand, learning new skills from our chefs, get their hands dirty (only if they want) and taste dishes of their choosing.

Key numbers: 90-180 minutes, 50 - 400 people

Key words: #show cooking #Slovenian food #local ingredients #gamified

3) STREET FOOD COMPETITION – Become a street food artist for a day

Summary: Pick the right recipe for a cool Slovenian dish, add your creativity, buy the right ingredients from local producers, set-up and decorate your street food stall and make your culinary magic. Your task is to prepare interesting street food dishes, find the locals that are willing to try it and earn as many social media “likes” for your team as possible.

Key numbers: 120-180 minutes, 50 - 400 people

Key words: #show cooking #Slovenian food #local ingredients #gamified #team cooking

4) ECO-CULINARY ADVENTURES – A geo-location cooking adventure (several locations)

Summary: This is a combination of a geo-location game (finding local producers), interacting with locals (as in street food program), discovering the final location and team cooking. This program can be organised in several Slovenian regions, such as Istria (sea, vineyards, hills), Dolenjska, Kras and Štajerska (vineyards and hills).

Key numbers: 120-180 minutes, 50 - 400 people

Key words: #show cooking #Slovenian food #local ingredients #gamified #team cooking

IMMERSIVE EXPERIENCES (#theme parties # murder myster # larp #escape)

1) THEME PARTIES - Fancy dress, games and a lot of fun

Summary: This program, which is best played in a privatized hotel or restaurant, is easy and fun for the participants. The games are mostly off-stage and non-invasive (exhibition system). Thus, player types can have an intensive experience, while the no-players will have fun observing, eating and drinking. 1920s and Casino theme are the most popular, but we organize superb theme events on many other themes.

Key numbers: 180 + minutes, 20 - 1000 people

Key words: #party #games #fun #music #food and drinks

Top programs: 1920s party, Casino party, Wild West Saloon party, Beach/Hawaii party...

2) CSI MURDER MYSTERIES - Joint a team of investigators and solve a murder

Summary: The guests will become a team of investigators that will interact with a group of actors playing the hotel staff and other persons acting as suspects and witnesses. This program is fun, intensive and full of surprises as the game progresses. We recommend a thematic, 1920 version of the program.

Key numbers: 90-120 minutes, 20 - 200 people

Key words: #CSI investigation #collaboration #brain games #adventure #fun

Top programs: CSI PORTOROŽ, CSI BLEDE, CSI LJUBLJANA

3) ESCAPE ROOMS AND ADVENTURES - Permanent and mobile *escape* games

Summary: Visit our Dragon Temple Escape room in Ljubljana or Escape the barn with a group of 80 people. We are world leaders in immersive escape programs for larger groups. Our programs are a combination of storytelling, immersive theatre and live-action-role-playing. We can customize existing programs or design a bespoke escape experience with specific puzzles based on products, services, brands and stories.

Key numbers: 60-90 minutes, 6 - 80 people

Key words: #escape room #collaboration #fun #brain games #challenges #adventure

Top programs: Brotherhood of the blue seagull, Escape the barn, Escape from thirst

4) LIVE ACTION ROLE PLAYING - *Live action* games based on characters

Summary: This is the most demanding game for the participants but also the most rewarding. You will pick up a character in a fictional world, try to complete several missions and eventually, to survive in a dangerous world of the mafia underworld. Larp - live action role playing is a fully immersive game, with food, drinks, protocol of the evening and several non-playing-characters running the show.

Key numbers: 90-240 minutes, 10 - 150 people

Key words: #live action role playing #larp #fun #evening entertainment #challenges

Top programs: The Grand Speakeasy / The Grand Saloon
